**All the Difference** Leah Ferguson,2015 As the clock counts down to midnight, Molly Sullivan's picture-perfect boyfriend asks her to marry him. She should say yes, especially considering the baby-sized surprise she's carrying. But something in her heart is telling her to say no. Now, Molly's future can follow two paths: one where she stays with her baby's father despite her misgivings and one where she ventures out on her own into the daunting world of single motherhood. And, by the time the next New Year is rung in, Molly will know which was right - following her head or listening to her heart.

**The Legend of Levitika** B.D. Weddell,2022-03-07 The Legend of Levitika: The City of Angels By: B.D. Weddell Markus of Nineveh has had his fair share of tragedies. Having no memory of a mother, a father slayed by a Hunter of Baron Ovid, and his sister Ruth is now plagued by an ancient disease not seen since before the New Age began a millennium ago. With no one able—or willing—to help, Markus is forced to make ends meet and care for Ruth himself, a difficult task for one still so young. One night, Markus is approached by an ancient spirit in his dream, who tells him of a kingdom lost in-between fable and legend; a city hidden among the clouds, away from the Northern Wastelands wrought with radiation, monsters, and war. It is here where Markus is promised peace, tranquility, and, more importantly, a cure for his little sister. Now Markus must make a decision. Will he risk the dangerous and cold wastelands with sick Ruth and his new friend, Ashlyn, in order to face the dangers between here and the kingdom no one has ever found? Will he risk being hunted by bounty hunters and mutants in the wintry world outside Nineveh's high walls? Is there even a chance that the City of Angels even exists? Or will Markus lose everything he has left in this world because of a dream?

Division Duane L. Martin,2015-01-23 Emotions are running high as the team prepares to split into two separate groups, with one group staying in Washington, while the other prepares to move to the new home that the backers built for them in Scotland. With only a limited amount of time left for them to spend together, they're all doing everything they possibly can to make the most of it. When Larry asks Jan to marry him, she happily accepts, but the rest of the family can't let them get

married without first throwing them a massive beach party, where debauchery is the order of the evening, as is a healthy dose of reptilian booze. Before their wedding takes place however, Derek and Jarrod have some proposal ideas of their own, but can they pull off their secretive plan without the girls finding out? Also, there's a tremendous amount of excitement when the backers send over a new version of the immortality serum. The new version takes their physical and perceptive abilities to new levels, and it increases the rate at which they heal, but it also has some unintended, albeit welcome side-effects. It's a sad farewell as the Scotland team says goodbye to their loved ones, but they can all take heart in the fact that they'll be starting their lives over in a beautiful new place where they'll finally have a chance to not only prove themselves, but to accomplish some truly amazing things that none of them would have ever thought possible. Division is book 6 of the Unseen Things series.

Armed and Dangerous Gina Gallo,2002-04-06 The true story of one female cop's 16-year odyssey, beginning with day one at the Police Academy and spanning assignments on Chicago's West Side, one of the most dangerous areas in the city.

In the Sun Joshua Patrick,2011-11-10 As the new millennium approaches, the world is getting ready to celebrateunaware that a Russian terrorist cell is preparing to carry out a plan that will change their lives in an instant. It is November of 1999, and all seventeen-year-old Josh Saunders wants to do is escape his Podunk town of Elnor, Texas. But everything is about to change when Josh learns the US president and vice president are dead. A nuclear missile has just struck Washington, DC, and Russian President Vladimir Pemarkov has declared war on America. Suddenly what was once a boring little town erupts into chaos. Now Josh and his friend Yuko must not only save their own lives, but also the life of Akbashev Chekenov, a deserting Russian soldier hunted by both American soldiers and his own military unit. As two worlds and cultures collide in a brutal battle, Josh, Yuko, and Akbashev are about to realize there is much more to war than honor and glory. In this modern military thriller, three young adults are propelled into an unthinkable war and soon discover that there is a thin line that separates enemies from friends.

**Companions** Duane L. Martin,2023-05-06 In an effort to get out there and prove themselves to the others, Alarwyn and Stephanie head off to the Reptilian dimension to do a little exploring, but things take a serious turn when they discover a zethichtalarin plot to destroy the nathalis homeworld. Now they must come up with a plan to stop the plot and kill the conspirators before they can bring their deadly plans to fruition. Unfortunately, their plan involves being gone for an extended period, as well as having to deal with the zeths all on their own, which causes Giles and Savaric no end of worry. Also, when the hybrids start aging at a rapid pace, and the scientists at the base are clueless as to what's causing it, much less how to stop it, Colonel Swanson shows up at the house to ask Charles and Richard for their help. Unfortunately, without knowing the cause of the aging, there may only be one way to save their lives, but getting them out of the base, and then figuring out what to do with them afterward are two hurdles that must be overcome before they can move forward with any

solutions. Lastly, while dining at a restaurant together, Derek and Jarrod meet a waitress named Darla, who becomes instantly obsessed with Derek. Unfortunately, this causes him no end of trouble when he runs into her at a club later, and she very physically thanks him for the generous tip he gave her...right in front of Tina and the others. Controlling her temper, Tina informs her that Derek isn't available, but offers to introduce her to his brother Logan instead. Could this be a chance for Logan to fall in love again, or will the emotional scars of his past get in the way of his future happiness? Companions is book 13 of the Unseen Things series.

Code: Shadow Ja'Cara McClinton,2018-03-28 Okay, so have you guys ever wondered what it's like to be a spy? No. Well, how about being a hybrid spy? Still no. Well lucky you because this is my life everyday. Stopping monsters and saving mankind is my everyday kind of job. And, I would love it too, if I wasn't suck with an airhead partner, who can't seem to act his age. I would love to just rip his dark wings off and save the world by myself. But as long as I'm at the Supernatural Spy Organization (SSO) that isn't happening anytime soon. Oh, and if it couldn't get any worse. Now we have an old enemy back on the streets again. That can get rid of mankind as we know it. So, it's up to me and my airhead partner to stop it before we can kiss all the humans goodbye forever. Join me Kat Long on this amazing avdventure to save the human world. But try and keep up though because there is a reason my name is CODE: Shadow

**Reapers** Duane L. Martin,2023-05-18 When the reaper drones showed up at the party to kill Diedre so they could reclaim her energy and take it back to Purgatory, she and Logan had go on the run, hopping from dimension to dimension in an effort to try to stay one step ahead of them while the folks back home work on a way to rectify the situation without leaving all of the energy forms on Purgatory stranded there for all eternity. In their search for answers however, they make some incredible discoveries, not only about the dimension of Purgatory itself, but also about the root cause behind Diedre's psychotic behavior in her former life. Also, when Derek pays himself a visit from the future, he learns that their attempts at finding a solution to the Diedre situation appeared to have worked at first, but things ended really bad for them shortly thereafter. Now they have to think outside the box to come up with a new and unique way of solving the problem that they wouldn't have otherwise considered, because if they don't, then some people that they care very deeply about are going to end up dead, while others will have a falling out that will cause them to go their separate ways. Finally, while out on the run from the Reaper drones, Logan and Diedre's feelings for one another continue to grow, but can Logan resist temptation so that he doesn't end up hurting Darla and destroying their marriage? Derek isn't so sure, and every time that Logan returns and the others fail to catch him so they can swap out who's protecting Diedre, his anger continues to grow. When he starts taking that anger out on the family however, Jarrod is forced to give him a harsh reality check to bring him back to his senses. Reapers is book 19 of the Unseen Things series.

The Amondine Kings Alexander Moone,2021-02-05 What would you do if you were given magic that the only limitations

were your own will, and then told you were of royal blood? Would you use that new power to take back what's rightfully yours from a tyrannical king? That's exactly what Mathea did. Teamed up with his sister and best friend, Mathea faces hard odds to right some wrongs.

*Prison Work* William Richard Wilkinson, 2005 What do we know first-hand about prisons? We have accounts from many top administrators. There is a large literature of convict reports and memoirs. But we have almost no personal accounts written by the people who were engaged in the day-to-day work of guarding and keeping prison inmates. In *Prison Work*, former California prisons corrections officer William Richard Wilkinson candidly tells what it was like to try to handle problems that can arise in prison, from furnishing three meals a day to quelling a riot. Constructed around a series of interviews with Wilkinson, this book recounts his extensive experience with discipline problems, wrong-headed administrators, contraband, and escapes. Wilkinson's story presents a blunt, unabashed view of daily life in prison, including fascinating discussions of racial and religious conflict, gangs, and prison violence as well as the institutional culture and more human side of life as experienced by a prison employee. The duration of Wilkinson's career (1951-1981) saw the greatest change in the American prison system. He was responsible for implementing change on the level of the prison block. At the California Institution for Men in Chino, he started out under the inspiring leadership of one of the most famous reform figures in penology. At the California Medical Facility in Vacaville, he participated in one of the great prison experiments when medical officials ran a maximum security prison. And at Soledad, he experienced the reaction to earlier liberal policies. Over the years, he accumulated much wisdom concerning how to handle convicts-wisdom that still has importance for corrections workers. Book jacket.

*Rising from the Flames* Kelly Cusson, 2020-04-04 Melanie Ironstone was minding her own business when her place of employment began burning down around her. Trapped in her little office she despaired at getting out alive. She was saved by one of New York's finest fireman. The bad news was, they thought she might have started the fire! Her name is only partially cleared and she gets caught up in the investigation to clear her name and ultimately save her life. Falling for the fire investigator and the man who saved her from the fire was not what she expected might happen. Through the investigation, Mel discovers confidence in herself and her two new boyfriends. Enough so that she risks herself to save her girlfriend from the same people who were after her. Unknowingly she brings more trouble down on her head. She knew she was changing now if only she could live through it, she would be *Rising from the Flames*. ----- KEYWORDS: Firefighter Romance, Bad Boy Firefighter romance, Fireman romance, Bad Boy Fireman Romance, Bad Boy Romance, menage romance, threesome romance, bisexual romance, mfm romance, menage story, mfm with mm, a trois romance, three way romance, Love Scenes, Young Adult Romance, Romantic Suspense, Bad Boy Romance, Contemporary Romance, Alpha Male Romance, Dominant Possessive Book, Contemporary Love Sex, Forbidden Romance, Boss Romance Novels, New Adult Romance Ebooks

Nookietown V.C. Chickering,2016-02-23 A funny, emotional and at times racy novel about a service connecting married men (with their wives' consent!) and divorced women.

**Exploration** Duane L. Martin,2013-12-29 With their mission to rescue Jarrod's family now behind them, the group finally has time to focus on other things, like Jarrod's birthday, learning more about their blue fin friends, and expanding the boundaries of their relationships with one another. However, before they do all that, they have a little unfinished business with Diedre, the girl responsible for the suicide of Derek's brother. After her violent and psychotic outburst during the sentencing phase of her trial, the judge sent her to be held in a psych ward for evaluation and treatment. Unfortunately for her, when the people who have a grudge against you have the ability to go out of phase and walk through solid objects, there's nowhere you can hide, and no one who can save you from the consequences of your actions. Also, as their friendship with the blue fins continues to grow, their blue fin friend Freddie expresses a desire to visit the human dimension. Looking forward to the opportunity for a cultural exchange, they're more than happy to oblige. It started off well enough, but when Freddie shows an unbelievable capacity for learning and retaining new information, they begin to realize that they may have inadvertently opened a Pandora's Box by exposing him to the wonders of the human world. Life on the island would no longer be enough for him, leaving them all with some hard decisions to make, not only about his future, but the future of his people as well. Finally, when portals begin to open on the blue fin island while the team are there installing a new solar power station for their friends, a desperate fight ensues to stop the agaronin from capturing themselves a new batch of slaves. While they were able to fend them off this time, it quickly becomes obvious that for their own protection, the formerly peaceful blue fins would have to be armed, and then trained to defend themselves against the unpredictable threat. Fortunately, the skills that Freddie learned while he was in the Human dimension would leave them in the hands of not only a capable trainer, but someone who could turn them all into unstoppable killing machines. Exploration is the third book in the Unseen Things series.

*97th Street* Dale Headley,2006-12-28 The decade of the 1940s, especially in South Central Los Angeles, was a challenging time and place. It endured rationing; suffered endemic racial tensions; spawned incipient gangs; and stubbornly clung to the ravages of the depression. This was the milieu Arnie Crockett and his family migrated into when he was eight and he encountered such wonders as concrete buildings, electric appliances, indoor plumbing, streetcars, stoplights, dial telephones, smog, and special movies. L.A. was an urban sprawl unique among U.S. cities. It was crisscrossed by alleys and dotted with vacant lots a serendipity of which Arnie took full advantage, turning 97th Street and environs into his exclusive fiefdom of fun. Arnie loved to play. He suffered severe asthma, a contentious relationship with his father, felonious cousins, an essential inferiority complex, and an early awareness of his mortality; but the exhilaration he felt when he played with his brother, Lenny, and his friends, Richard and Jimmy overcame all. A panoply of unique and fascinating characters inhabited

97th street: the crazy girl; the jungle lady; the fugitive kidnapppers; the ghost of a suicide; the sweet old arsonists; and the evil custodian of the 97th Street School. In Arnies back yard resided the worlds mangiest dog; the worlds largest chicken; a wiener-eating snake; and the worlds smelliest duck, the demise of which turned out to be one of the most profound events in Arnies life. Elwood Crockett, Arnies father, was a complex man of varied skills and prejudices. But Elwood could not or would not show the love he truly felt for his wife and children other than by his stoic sense of responsibility. It was not until the day before Elwoods sudden, unexpected death that Arnie and his father finally came to demonstrate unequivocally their mutual love and respect.

**Steel Pot** Curt Stocker,2023-06-15 BACK COVER COPY: Curt Stocker began smoking pot in October 1966, more than a year before he went to Vietnam. In this memoir, he shares a true account of his service fighting for America. Considering all the pot he smoked, he understands why some people may find it amazing that he's able to remember that time. Ironically, the DuPont Corp. became one of the main proponents of antimarijuana legislation because it sought to stamp out the hemp industry. The company's motivation was the immense profit it would reap by switching everybody over from hemp rope and canvas sails to DuPont's newly invented synthetics such as nylon rope and rayon fabrics. The bald-faced lies its executives invented about hemp were totally off the charts. Vietnam exposed many young Americans to marijuana who otherwise would have never found it. Because of this, the author believes that the war may be the single most important factor in today's looming marijuana legalization. Unfortunately, there are still people want to continue the War on Drugs and put people in jail on marijuana charges. It is time to end the federal marijuana prohibition.

**Never. Say. Die.** Brian Murphy,2013-05-07 The San Francisco Giants won the World Series in 2012, their second championship in two years. Acclaimed Sports Illustrated and Major League Baseball photographer Brad Mangin has captured this historic season with breathtaking photographs that evoke the Giants' relentless spirit of passion and persistence in 2012. Brian Murphy, beloved Bay Area sports radio personality, tells the story of the Giants' championship season in great detail, highlighting this never-say-die attitude that empowered the Giants to overcome adversity throughout the regular and postseason and ultimately led them to an epic four-game sweep of the Detroit Tigers in the World Series. Never. Say. Die. is truly an art book in form and in function. Featuring over 125 awe-inspiring photographs, this book provides a rare view of one team's championship season seen through the lens of one photographer, Brad Mangin, resulting in a beautiful baseball photo monograph that San Francisco Giants' fans and baseball fans around the world are sure to relish. The book's design and format go above and beyond the typical sports photo book, emphasizing the grit and edge of the Giants' character throughout the season. As a result, Never. Say. Die. stands out uniquely among others in the field.

**No Ghoul's Allowed** Victoria Laurie,2015-01-06 On a trip to Georgia to see her father, M. J. Holliday finds herself trapped in a haunted mansion and discovers... THE SOUTH WILL RISE AGAIN—FROM THE DEAD M.J. has had a distant

relationship with her father since her mother died more than two decades ago. But when M.J., her boyfriend, Heath, and BFF, Gilley, take a break from their show, Ghoul Getters, and visit her family home in Valdosta, Georgia, they find Montgomery Holliday a changed man. The source of his happiness seems to be his new fiancée, the charming Christine Bigelow. But despite the blush of new love, Montgomery and Christine are dealing with a big problem in the form of the antebellum mansion she is having renovated. After a series of strange accidents, the work crew is convinced the place is cursed, and the contractor has walked off the job. At Christine's request, M.J. and her pals agree to find out if they're really dealing with some spirited saboteurs and a possessed plantation home.

**Lil Perp** Alicia King, 2023-12-13 This is a fictional story based upon someone who was real, but passed away. His real name was Gustav Elijah Ahr and his stage name was Lil Peep. Lil Peep or (Lil Perp's) one dream for a career is music. Then, unfortunately his girlfriend decides to split up with him. Then his parents decide to split up, so he decides to live with his mom. This makes him then decide to really try making music, well not music, but writing words to rap alongside music he's sent. He had kind of tried once before, but just for enjoyment and nothing had come of it. But, on his second attempt, he basically blew up. The popularity of his first song inspires him to keep writing and writing and writing... Pre-fame or success, he is quite into the drug scene, so of course he continues using throughout his fame. Until unfortunately he passes away due to drugs whilst on tour. Was it an accident or was it intentional? No one will ever know for sure, but this book paints an interesting story of how he got there.
