Crazy for You Maddie James,2019-01-03 Tasha Smith enjoys her laid-back life running her shop called, Naturally, where she sells organic fruits and vegetables—even though lately she’s been in a funk over a broken engagement, or rather, leaving her fiancé standing at the altar. It was the right thing to do but she’d handled it badly. Determined to shake her blues, she heads down to a resort in sunny Jamaica, and along the way, hooks up with a most unlikely companion—a workaholic stuffed shirt named Andrew. Andrew Jacob Powel III reluctantly heads to Jamaica after winning the trip for high salesperson of the month. He figures while there, he’ll hand out business cards and network—but when he connects with Tasha, his professional poise begins a slow unraveling. Tasha is at turns enchanting and exasperating, if not adorably determined to tease him out of his conservative shell—and his suit! But what happens in Jamaica stays in Jamaica, and even as a sultry passion takes them both by surprise, both Andrew and Tasha know they’ll have to return to their very different lives—even if their hearts tell them otherwise. Can they bury their differences long enough to make it work?

The Inner Thoughts of Your Ebony Queen Rochelle Jones,2016-03-24 Poetry is a soul-derived intimate moment as pen to paper and as a dancer to the flow of music. As poets of old touch our hearts I want to leave part of my soul on paper for centuries to come. I hope to inspire others to be free in their writing and not be afraid of criticism sure to come. My poetry is passionate. My poetry is about my growth as a female growing forcibly into a Lady so that I was prepared to become a Wife. Life is about growth and without it either forced or respectfully we are lost. I am evolving through my pen with love as the

force I was created in. Write leaving an imprint of your soul long after your presence here. Become part of something greater than right now. Express your soul with ink and watch it flourish as planted seeds for future writers.

The Tie Is A Lie ,2018-09-03 A woman teletransports to another dimension where her innate supernatural powers are ignited. She joins a secret society, with other supernatural beings, that are fighting off dominating forces from the world she came from. Have you ever wondered who those people are in your dreams that you do not know? THE TIE IS A LIE begins with the present day then flashes back and forth between the 1970s and the present. It takes place in Dreamtime and New Order Time, (N.O.T.), which are multi-dimensional worlds that exist simultaneously and are used interchangeably by those who can travel between the two; that co-exist in various places around the globe. An order was given in N.O.T. to destroy the environment and wild life motivated by a need for power to globalize and dictate the natural world including humans and immortals with special abilities. They are challenged by Awen, a secret society in Dreamtime, designed to eliminate powerful forces in N.O.T. and prevent them from colonizing Dreamtime. Vampires and shape-shifters, with extra special skills live with other humans and immortals in both worlds. Kino is an ancient Italian Vampire with advanced telekinetic powers and is a descendant from bloodlines of medicine men and Druid magic. He is honored yet feels cursed by his legacy to protect Dreamtime from the powerful forces that had taken parts of Dreamtime in the past and killed his mother and father. Executed with his cunning, methodical and merciless tactics he reclaimed what was taken from Dreamtime before. Meghan is his heart's desire but he must let go of a promise he made in order to love her completely. Meghan has been traveling to Dreamtime in her dreams where her latent powers ignited and have since been refined; she can literally write or draw her self to anywhere and eventually adds shape-shifting to her repertoire and becomes a spy and huntress of wildlife poachers. A deluge into Kino's world threatens its existence and the very thing that keeps his power strong which is Meghan. He was forewarned that if love broke his heart, it would weaken his powers; although faith and free will could set him free and release a promise he can no longer keep. Will the powerful individuals within Awen along with Kino and Meghan's power and love together be enough to sustain their future?

At Home in the Woods Bradford Angier, Elvena Angier, 2015-05-15 One hundred years ago, Henry Thoreau wrote of the charms and joys of simple living in the woods, away from the hectic nuisances of our city civilization. His philosophy has become part of our American heritage, as sound today as the day he first set it down. But his advice on the simple life has seemed too rugged for later generations, brought up in cities, pampered with conveniences and scared of nature. Vena and

Brad Angier were fed up with their city bound existence and longtime readers and admirers of Thoreau, they set out to see if his discoveries were valid today. This is the account of two wilderness-loving tenderfeet, who headed for the tall timber on the banks of the Peace River, British Columbia. There near the trading post of Hudson Hope they found their Walden. How they made themselves 'At Home in the Woods,' stocked their cabin, met their interesting wilderness neighbors who helped them get settled and who saw them through their first winter makes honest and exciting reading. The city-bred Angiers found out that Thoreau was right when he wrote: "What people say you can not do, you try and find you can."

Doing everything in her power to make him feel pain, Honesty won't stop until her husband's heart is shattered into a million pieces. Even if that means the death of a loved one! No longer a fool or blinded by love, Honesty is ready to love again and give Juelz a true shot at her heart. After comparing him to her husband, will she realize Juelz is her blessing in disguise? Once Harlem realizes Giselle isn't the green grass on the other side, will he run back home to his wife and kids, who he abandoned for love?
