

My Fathers Son

Cormac McCarthy

My Father's Son Andy Symonds, 2015-08-04 When Nathan's father, a decorated Navy SEAL, is killed in combat, he must rely on his father's teammates for direction while learning to become a man. The normal struggles of adolescence are amplified while growing up in the shadow of a war hero, and a young man's future hangs in the balance. No one is safe from the scars of war in this funny, heart-wrenching, poignant novel.

Not My Father's Son Alan Cumming, 2014-10-07 "Equal parts memoir, whodunit, and manual for living . . . a beautifully written, honest look at the forces of blood and bone that make us who we are, and how we make ourselves." --Neil Gaiman In his unique and engaging voice, the acclaimed actor of stage and screen shares the emotional story of his complicated relationship with his father and the deeply buried family secrets that shaped his life and career. A beloved star of stage, television, and film—"one of the most fun people in show business" (Time magazine)—Alan Cumming is a successful artist whose diversity and fearlessness is unparalleled. His success masks a painful childhood growing up under the heavy rule of an emotionally and physically abusive father—a relationship that tormented him long into adulthood. When television producers in the UK approached him to appear on a popular celebrity genealogy show in 2010, Alan enthusiastically agreed. He hoped the show would solve a family mystery involving his maternal grandfather, a celebrated WWII hero who disappeared in the Far East. But as the truth of his family ancestors revealed itself, Alan learned far more than he bargained for about himself, his past, and his own father. With ribald humor, wit, and incredible insight, Alan seamlessly moves back and forth in time, integrating stories from his childhood in Scotland and his experiences today as a film, television, and theater star. At times suspenseful, deeply moving, and wickedly funny, *Not My Father's Son* will make readers laugh even as it breaks their hearts.

My Father's Son Former Lecturer in History John Davis, John Davis, 2016-03-23 A compelling memoir of fathers, sons, and the Brooklyn streets. Every family has secrets. Ours were just bigger than others. My earliest memory is of a gun. That gun was in his father's hand - and it was pointed at his mother's head. John Davis grew up in the 1970s and '80s on the rough streets of Brooklyn, a place where no one thought twice when parents smacked around their kids-or each other. At the center of the tumultuous neighborhood, and John's world, was his larger-than-life father, Roberto. The Argentinean butcher and kingpin drug dealer was a sadistic bully whose mercurial temper left a trail of tears and chaos across his family. John, in

particular, seemed to bear the brunt of Roberto's wildly swinging moods. Any wrong word could cause an explosion. Every knock on the door might be one of Roberto's enemies, or the police. In his publishing debut, Davis recounts how he spent his childhood in constant terror and his teen years learning to fight back. But it was much later, as an adult, that he learned the most shocking thing of all about his father, his past, and himself. Told with raw honesty and deep emotion, *My Father's Son* is a memoir of fear, abuse, survival, and identity.

My Father's Son Tom Moore,2021-05-26 Some people age gracefully as wisdom and calm come with the grey hair. Others become crotchety, opinionated, and odd. People avoid them and laugh at them. Still others give up on life, on ambition, on dreams, and settle into a pleasant wait for the grave. I was one of those people. Felix Ryan, from Curlew, Conception Bay, is a schoolteacher on the edge of a cliff in a serious mid-life crisis. But a phone call from Tammy, an ex-girlfriend, calls him back home to help his eccentric father in his latest crusade. A big US oil company has begun fracking in his hometown. Led by a jovial Texan and represented by a crack young lawyer, the company is buying up land. The town is split in two over fracking and its new prosperity. Sparks of attraction fly between Felix and Tammy, even though he jilted her years before. Felix's father leads the fight against the oil company, and Felix is drawn further into the fight. As the battle lines are drawn in the sand, he finds a new direction in his life, a woman who loves him, and a cause worth fighting for. From the author of *The Sign on My Father's House* WINNER of the CBC's NL Reads 2020 Competition

I Am My Father's Son Dan Hill,2010-08-01 In this deeply moving memoir, one of Canada's most respected singer-songwriters traces his difficult, often tumultuous relationship with his father. From the time Dan Hill picked up a guitar at age 11, he tried to win the approval of Daniel Hill Sr., a man who has been called Canada's father of human rights. But Hill Sr. set impossibly high standards for himself and his family, especially for his eldest son, leading to conflict and alienation even as young Dan achieved international fame and success. Through vivid family stories, letters, memories and his own award-winning lyrics, Dan Hill tells the story of two parallel lives—his father's in mid-20th-century America and his own as a young black man coming of age in suburban Canada—and the stormy but ultimately loving way each of those lives affected the other.

A Father's Son Mat Rogers,2022-10-05 'A book about humanity as much as sport. It's like sitting at the kitchen table with your best mate and he's pouring his heart out - about his life, his loss, his triumphs and his faults ... and the love that got him through. Honest, generous, and most of all, courageous.' Markus Zusak, bestselling author of *The Book Thief* Mat Rogers is an Aussie footy legend and TV star who has triumphed over hardship, loss and heartache. He is finally ready to share his powerful life story. He is one of the most talented footballers of the modern era and a dual international in rugby league and rugby union. But for a long time, Mat Rogers lived in both the shadow and the thrall of his famous father, and their complex relationship shaped him in ways he couldn't fathom. Craving paternal acceptance while determined to carve

out his own identity and, later, to avoid repeating the sins of the father, he veered between periods of jubilation and depression, fulfilment and despair. Now, in his majestic, evocative autobiography, Rogers tells the story of a life framed by triumph and tragedy, a life in which, ultimately, he finds purpose and contentment in a harsh world. With its cracking pace and unvarnished frankness, *A Father's Son* will be widely read and difficult to forget. Though by and about a celebrated footballer, it is so much more than another athlete's memoirs. In spare, vivid prose, Rogers reveals how his teenage years were marked by periods of rebellion and self-destructive behaviour. Then, at age 20, he became a father to son Jack before he had finished his own journey into adulthood. By 22, he was married to first wife Michelle with another child, daughter Skyla, following shortly after. As well as discussing the experience of having a family while still a young man, Rogers also recounts the challenges that have defined his life off the sports field – the impact of losing both his parents in tragic circumstances and the experimental neck surgery he underwent in 2007, ending years of debilitating pain. Rogers' story is one of a man who rises to the difficulties life sends his way. The discovery that his son Max is autistic prompted him and second wife Chloe to co-found charity 4 ASD Kids – and he talks passionately about the work he has done to raise awareness of a subject so close to home. That fighting spirit introduced Rogers to an even greater number of Australians who watched the sporting legend thrive on *Australian Survivor*. Across two memorable appearances on the reality TV series, he impressed viewers with his ability to combine his competitive spirit with his desire to play with heart. That duality, which defines Rogers' life, shines through in *A Father's Son*. 'I couldn't put this down. Mat shares his story with so much honesty and openness. I was overcome with emotion and such deep respect for Mat and the person, father and role model that he is.'

Sally Obermeder, author and presenter

My Father Before Me Michael J. Diamond, 2007 This book establishes fatherhood as an essential event for both the father and son's development and examines the relationship throughout the life cycle.

My Father's Paradise Ariel Sabar, 2009-10-13 In a remote corner of the world, forgotten for nearly three thousand years, lived an enclave of Kurdish Jews so isolated that they still spoke Aramaic, the language of Jesus. Mostly illiterate, they were self-made mystics and gifted storytellers and humble peddlers who dwelt in harmony with their Muslim and Christian neighbors in the mountains of northern Iraq. To these descendants of the Lost Tribes of Israel, Yona Sabar was born. Yona's son Ariel grew up in Los Angeles, where Yona had become an esteemed professor, dedicating his career to preserving his people's traditions. Ariel wanted nothing to do with his father's strange immigrant heritage—until he had a son of his own. Ariel Sabar brings to life the ancient town of Zakho, discovering his family's place in the sweeping saga of Middle-Eastern history. This powerful book is an improbable story of tolerance and hope set in what today is the very center of the world's attention.

My Father, My Son Elmo Zumwalt, John Pekkanen, 1987-10 The powerful personal account of Admiral Elmo Zumwalt, Jr.,

and his son, Elmo III in Vietnam. For it was the father who ordered the waterways that his son patrolled to be sprayed with Agent Orange. And it was the son, and eventual grandson that developed medical complications as a result of exposure to the defoliant. 8 pages of photographs.

Life Without... My Father Dave White, 2014-02-19 *Life Without...* follows the path of Dave as he suffers at the hands of his violent parents. Putting himself in harms way to protect his sister, Dave searches for someone who believes him, until by chance he discovers the truth. That his tormentor is not his real father. Losing all trust in the people around him, and forced to leave his sister with Dad; Dave looks for a way to escape his past. But joining the Army, as bullying reaches an all time high, the life he has chosen will be a hard one indeed. Discipline and training give him the strength to fight back, his determination and courage wins respect. But this life will also bring war, and with it comes the pain of loss and injury. Now trapped in the solitude of depression, Dave faces the only thing he fears. The memory of his *Life Without...*

In My Father's Name Mark Arax, 1997-08 On January 2, 1972, Mark Arax's childhood came to a sudden, explosive end when his father was shot to death at his nightclub in Fresno, California. It was one of the most sensational murders in California's heartland, and it was never solved. Mark, only fifteen years old at the time, was left with a legacy of questions: Were the rumors about his father true? Had he led a double life? Was he killed because of his dealings with the underworld? Mark Arax, an award-winning journalist at the Los Angeles Times, now writes a searing, intensely personal account of his twenty-two-year search for answers about his father's life and death, and his own identity. As the oldest child, Mark was thrust into the role of patriarch. His quest for answers began in high school, when he sought out his father's father, an Armenian immigrant. His grandfather opened a window into an old country world full of promise and heartbreak -- and four generations of eccentric family members. Two decades later, Mark uprooted his wife and baby and returned to Fresno under an assumed name to try and determine who killed his father and why. Fearing for his own life, he discovers his father was murdered just before he was going to make a startling disclosure. More than a true-life murder mystery, more than an exploration of family and culture, *In My Father's Name* is the poignant story of one man's remarkable journey as he uncovers long-hidden secrets about his father, his family, his heritage, and the town he once called home.

My Father's Son Farley Mowat, 2015-11-11 The follow-up to *And No Birds Sang*, Farley Mowat's memoir *My Father's Son* charts the course of a family relationship in the midst of extreme trial. Taking place during Mowat's years in the Italian Campaign, the memoir is mostly told through original letters between Mowat and his mother, Helen, and his father, Angus, a World War I veteran and librarian. Written between 1943 and 1945, the correspondence depicts the coming of age of a young writer in the midst of war, and presents a sensitive and thoughtful reflection of the chaos and occasional comedy of wartime. First published in 1992, Douglas & McIntyre is pleased to add *My Father's Son* to the Farley Mowat Library series, which includes the other recently re-released titles *Sea of Slaughter*, *People of the Deer*, *A Whale for the Killing*, and *No Birds*

Sang, Born Naked and The Snow Walker.

The Road Cormac McCarthy,2007 In a novel set in an indefinite, futuristic, post-apocalyptic world, a father and his young son make their way through the ruins of a devastated American landscape, struggling to survive and preserve the last remnants of their own humanity

My Father's Shop Satomi Ichikawa,2006 There is a rug in his fathers shop that Mustafa loves. (It has a hole in it, so you can put it over your head and still see out.) No one else wants the rug, though lots of tourists visit the shop. His father always welcomes themBienvenueand offers them teaO cha wa ikaga desu ka? Mustafas father would like him to know some words in other languages too, and he tells Mustafa that he may have the rug if he agrees to learn. But after the first lesson, Mustafa is so bored he runs out of the shop (with the carpet on his head). Ending up at the market, he finds a very different way of learning foreign languages....and of getting tourists to visit his fathers shop.

Fathers and Sons Ivan Turgenev,1965-05-30 With an introduction by Rosamund Bartlett and an afterword by Tatiana Tolstaya Turgenev's depiction of the conflict between generations and their ideals stunned readers when Fathers and Sons was first published in 1862. But many could also sympathize with Arkady's fascination with its nihilist hero whose story vividly captures the hopes and regrets of a changing Russia. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

My Father's Son Frank O'Connor,1999-03-01 O'Connor is a young writer struggling to find his place and his voice in a profoundly changed Ireland. Gradually, he begins to establish a formidable reputation. Guests of the Nation and The Saint and Mary Kate belong to this period. The excitement of the Irish literary renaissance is made immediate as O'Connor tells of his friend the poet George Russell, who was the first to publish his work, and of his participation in the triumphs and rivalries of the Abbey Theatre. Here, beautifully rendered, are playwrights Lady Gregory, J. M. Synge, Lennox Robinson, and Sean O'Casey. Central to the book—as he was to O'Connor's life and work—is the complex and majestic figure of William Butler Yeats. The memoir ends with Yeats's death and with it O'Connor's realization that he can no longer divide his talent between his job and his passion. He begins, at last, his life as a writer.

Raising Boys Steve Biddulph,2008 A guide to the stages and issues in boys' development from birth to manhood-- Provided by publisher.

His Father's Son Bentley Little,2009-09-01 “On a par with such greats as Stephen King, Clive Barker and Peter Straub” (Midwest Book Review), Bentley Little brings his unnerving talents to the terrifying story of a dysfunctional family in crisis.

Steve Nye writes for an alumni magazine and his long-term relationship is on the steady path to marriage. But his quiet life takes an unexpected turn when he receives a phone call from his mother. His father attacked her and has been committed to a mental asylum. The doctor says he's suffering from dementia. But Steve's father seems so calm, clear-eyed, and perfectly lucid when he whispers, "I killed her..." Is it simply another symptom of delusion and madness? To find the answer, Steve investigates the cryptic message leading him down a terrifying path of his own making—and of his own nightmares....

The Story of My Father Sue Miller, 2007-12-18 In the fall of 1988, Sue Miller found herself caring for her father as he slipped into the grasp of Alzheimer's disease. She was, she claims, perhaps the least constitutionally suited of all her siblings to be in the role in which she suddenly found herself, and in *The Story of My Father* she grapples with the haunting memories of those final months and the larger narrative of her father's life. With compassion, self-scrutiny, and an urgency born of her own yearning to rescue her father's memory from the disorder and oblivion that marked his dying and death, Sue Miller takes us on an intensely personal journey that becomes, by virtue of her enormous gifts of observation, perception, and literary precision, a universal story of fathers and daughters. James Nichols was a fourth-generation minister, a retired professor from Princeton Theological Seminary. Sue Miller brings her father brilliantly to life in these pages—his religious faith, his endless patience with his children, his gaiety and willingness to delight in the ridiculous, his singular gifts as a listener, and the rituals of church life that stayed with him through his final days. She recalls the bitter irony of watching him, a church historian, wrestle with a disease that inexorably lays waste to notions of time, history, and meaning. She recounts her struggle with doctors, her deep ambivalence about many of her own choices, and the difficulty of finding, continually, the humane and moral response to a disease whose special cruelty it is to dissolve particularities and to diminish, in so many ways, the humanity of those it strikes. She reflects, unforgettably, on the variable nature of memory, the paradox of trying to weave a truthful narrative from the threads of a dissolving life. And she offers stunning insight into her own life as both a daughter and a writer, two roles that swell together here in a poignant meditation on the consolations of storytelling. With the care, restraint, and consummate skill that define her beloved and best-selling fiction, Sue Miller now gives us a rigorous, compassionate inventory of two lives, in a memoir destined to offer comfort to all sons and daughters struggling—as we all eventually must—to make peace with their fathers and with themselves.

The Father's Son Jim Sano, 2019-08-15 Despite a traumatic and difficult childhood, 39-year-old Boston sales executive, David Kelly, seems to have it all. While building a life of achievement, material success, and professional respect, an unexpected friendship with Tom Fitzpatrick starts him on an emotional and courageous journey that allows him to confront the truth of his past and the impact it has had on the relationships in his life. *The Father's Son* is a highly engaging story that will make you think about friendship, forgiveness, redemption, love, and truth, and may prove to profoundly impact how you look at life itself.

Decoding **My Fathers Son**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**My Fathers Son**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
