Runaway Husbands Vikki Stark,2023-07-24 Based on a study of over 400 women worldwide, *Runaway Husbands: The Abandoned Wife's Guide to Recovery and Renewal*, is the first book to explore and offer healing strategies to women whose lives have been turned upside down by Wife Abandonment Syndrome. This Revised and Updated edition expands on the groundbreaking first edition that led to the development of an amazing global community of women working together to recover from Wife Abandonment Syndrome - when a husband leaves out-of-the-blue from what his wife believed to be a happy, secure marriage. Following his sudden departure, he typically replaces the caring he'd previously shown her with blame and anger, leaving his bewildered wife totally devastated. The Revised and Updated edition includes new chapters that discuss the husband's possible Covert Narcissism, the effect of this kind of divorce on the father/adult child relationship and the challenges of co-parenting with an ex following abandonment. Written by family therapist Vikki Stark, MSW, who herself had a runaway husband, the book helps women understand in full what could motivate a loving husband to morph overnight into an uncaring stranger and provides them with the tools they need to move forward and rebuild their lives.

I Am Diosa Christine Gutierrez,2022-02-08 This raw and relatable guide to radical self-care and self-love empowers readers to embrace the powerful Diosa within. In this fiercely inspiring book, psychotherapist Christine Gutierrez welcomes women to join her in healing the wounds from past hurt or trauma to reclaim their worth and come back home to their true

self and soul. Diosa is the Spanish word for Goddess. A diosa is anyone who honors the primal feminine energy in the world and within themselves. According to Gutierrez, diosas face obstacles in their lives but are always ready and willing to go to their core to reclaim their inner worth and self-esteem. They are the ones that rise from the ashes and dare to piece themselves back together bone by bone and soul piece by soul piece. From stories of resilience from both Gutierrez and members of her Diosa Tribe, to mantras, meditations, and guided journaling prompts, this book gives women the tools they need to honor their sacred feminine and become who they were always meant to be. *I Am Diosa* will inspire women to give themselves permission to feel, to be seen, to be heard, and to return to their truest selves.

Planet Heartbreak Vikki Stark,2016-10-01 Planet Heartbreak is a compilation of sixty-two stories written by women who have experienced Wife Abandonment Syndrome - when a husband leaves what his wife believed to be a happy marriage without ever having told her that he was unhappy or thinking of leaving. He often directly moves in with an affair partner, leaving his traumatized wife totally devastated. This will undoubtedly be the defining event in her life, and although recovery is a struggle, many women find that it forces them to reinvent themselves in positive and exciting new ways. The spellbinding short stories in Planet Heartbreak describe how the wife found out that her husband was leaving and outlines the events around his departure but, more importantly, explores the emotional process the woman goes through integrating the fact that her life as she knew it, as if hit by a tsunami, was suddenly over. Written by women at varying lengths of time since the husband left, from two months to fifteen years, the storytellers vividly express their shock and heartbreak, but also offer insight, provide strategies for recovery, share their wisdom, and inspire the reader to keep reaching to love life again. The book is edited by Vikki Stark, family therapist known worldwide as a divorce recovery expert, and author of *Runaway Husbands: The Abandoned Wife's Guide to Recovery and Renewal*, the companion volume to Planet Heartbreak. *Runaway Husbands* is the bible for wives who have experienced abandonment, providing a deep understanding of Wife Abandonment Syndrome and detailed strategies to help women rebuild their lives. The website associated with the book has become the place women meet to encourage each other and help them feel that they are not crazy and not alone. The stories in Planet Heartbreak are written by women from this community.

Vulnerable Women Vathani Ariyam,2024-04-06 I have written this eBook after witnessing women in domestic violence to help them show them the ways to survive the situation. You might be wondering who these women are; they are the women who have been attacked by their partners almost daily in their own homes. As a result, they desperately need our help. I have been involved in the charity sector for many years, including my experience with women's retreats for more than ten years, and I have witnessed many of these cases personally. A refuge that gives shelter to women fleeing domestic violence also comes under charity law and is usually funded by the government and managed by its workers. Women's retreats had no support or recognition in the 1970s, and were left lonely and had no voice. These refugees delivered the women who fled domestic violence and emergency shelter, and the refuge workers who had to work supported and made sure that they were able to survive on their own without any setbacks. This eBook will show solutions for your issues. If you read it thoroughly, you will be confident to leave the wrong life with your partner. Please remember to leave a helpful review to motivate me to write more to help you all in the future.

Captive in Iran Maryam Rostampour,Marziyeh Amirizadeh,2013-04-02 Maryam Rostampour and Marziyeh Amirizadeh knew they were putting their lives on the line. Islamic laws in Iran forbade them from sharing their Christian beliefs, but in three years, they'd covertly put New Testaments into the hands of twenty thousand of their countrymen and started two secret house churches. In 2009, they were finally arrested and held in the notorious Evin Prison in Tehran, a place where inmates are routinely tortured and executions are commonplace. In the face of ruthless interrogations, persecution, and a death sentence, Maryam and Marziyeh chose to take the radical—and dangerous—step of sharing their faith inside the very walls of the government stronghold that was meant to silence them. In *Captive in Iran*, two courageous Iranian women recount how God used their 259 days in Evin Prison to shine His light into one of the world's darkest places, giving hope to those who had lost everything and showing love to those in despair.

Embracing Arms Helena Goscilo,Yana Hashamova,2012-01-01 Discursive practices during war polarize and politicize gender: they normally require men to fulfill a single, overriding task destroy the enemy but impose a series of often contradictory expectations on women. The essays in the book establish links between political ideology, history, psychology, cultural studies, cinema, literature, and gender studies and addresses questions such as what is the role of women in war or military conflicts beyond the well-studied victimization? Can the often contradictory expectations of women and their traditional roles be (re)thought and (re)constructed? How do cultural representations of women during war times reveal conflicting desires and poke holes in the ideological apparatus of the state and society? Geographically, focuses on the USSR

/ Russia, Central Europe, and the Balkans; historically, on WWII; the secessionist war(s) in Chechnya (1994-96, 1999); and the Bosnia / Croatia / Serbia war (1992-95).

Remarkable Survivors Alice Taylor Day,1991

Humble Women, Powerful Nuns Kristien Suenens,2020-07-15 Nineteenth-century female congregation founders could achieve levels of autonomy, power and prestige that were beyond reach for most women of their time. With a subject hidden for a long time behind a curtain of modesty and mystery, this book recounts the fascinating but ambiguous life stories of four Belgian religious women. A close reading of their personal writings unveils their conflicted existence: ambitious, engaged, and bold on the one hand, suffering and isolated on the other, they were both victims and promoters of a nineteenth-century ideal of female submission. As religious and social entrepreneurs these women played an influential role in the revival of the church and the development of education, health care and social provisions in modern Belgium. But, equally well, they were bound to rigid gender patterns and adherents of an ultramontane church ideology that fundamentally distrusted modern society.

Compelling and inspirational, *Surviving Life* tells the true story of one family's heart-wrenching journey through an emotional and mental breakdown, abuse, betrayal, disappointment with God, financial devastation, and their fight to hold their family together. Throughout their journey, Scott and Sandy discovered five survival skills, which, along with the strength they drew from God, eventually freed them from the bondage of their traumatizing experiences. Woven throughout their terrifying yet engaging life story are practical, step-by-step directions for moving beyond any painful circumstance and Surviving Life.

Convicted Survivors Elizabeth Dermody Leonard, 2012-02-01 When a woman survives a deadly assault by her male abuser by using lethal self-defense, she often faces a punitive criminal justice system—one that largely failed to respond to her earlier calls for help. In this book, Elizabeth Dermody Leonard examines the lives and experiences of more than forty women in California who are serving lengthy prison sentences for killing their male abusers. She contrasts them with other women prisoners in the state and finds substantial differences. Leonard's in-depth interviews reveal that the women are slow to identify themselves as battered women and continue to minimize the violence done to them, make numerous and varied attempts to end abusive relationships, and are systematically failed by the systems they look to for help. While in jail, these women receive liberal dosages of psychotropic drugs, damaging their ability to aid in their self-defense. Moreover, trials and plea bargains feature little or no evidence of the severe intimate abuse inflicted upon them. Despite a clear lack of criminal or violent histories, the majority of women found guilty of the death of abusive men receive first- or second-degree murder convictions and serve long, harsh sentences. Leonard concludes the book with a discussion of policy implications and recommendations arising from this research.

Woman Awake Christina Feldman, 2016-08-01 Because women have been conditioned to live according to traditional feminine values—conformity, passivity, and surrender of the self—they often feel powerless to transform their lives and afraid to lose their sense of worth. In *Woman Awake*, Christina Feldman suggests that it is possible for women to break out of their negative patterns and accept themselves as they really are. With a growing awareness of the dignity of all life and its connection with them, women can overcome the social conditioning and myth-making that overwhelm and oppress them. For those women new to Buddhist meditation, Christina Feldman offers sensitive and valuable guidelines on breathing and relaxation—stressing, above all, that learning to understand, appreciate, and value themselves is the first step toward women's creative and joyful integration with the world.
