A Monk Swimming Malachy McCourt, 2024-03-05 In this “irresistible memoir that’s equal parts pathos and belly laughs,” the Irish American writer and actor shares stories from his first decade in the US (People). Malachy McCourt left behind a childhood of poverty and painful memories of his father and mother in Limerick, Ireland, when he followed his brother, Frank, to America in 1952. In *A Monk Swimming*, McCourt recounts the decade that followed. With not much to his name other than his sharp wit and knack for storytelling, McCourt was unsure what he would do after arriving in New York City. He worked as a longshoreman on the Brooklyn docks, became the first celebrity bartender in a Manhattan saloon, performed on stage with the Irish Players, and told tales to Jack Paar on *The Tonight Show*. Although McCourt gained success, money, women, and, eventually, children of his own, he still carried memories of the past with him. So, he fled again. He found himself in the Manhattan Detention Complex, otherwise known as the Tombs. He was arrested several times: poolside in Beverly Hills, in Zurich with gold-smugglers, and again in Calcutta with sex workers. McCourt’s journey also took him to Paris, Rome, and even Limerick again, until finally he was forced to grapple with his past. “[A] funny, oddly winning book.” —The New York Times “A rollicking good read that, as the Irish say, would make a dead man laugh.” —The Philadelphia Inquirer “A triumphant tale. . . . You will find yourself laughing through the tears.” —Newsday “Howlingly funny.” —Atlanta Journal-Constitution “Build[s] on the story of the McCourts’ early life so dazzlingly told in *Angela’s Ashes* by his brother Frank.” —Thomas Keneally, author of the international bestseller *Schindler’s List*

The Book of Longings Sue Monk Kidd, 2020-04-21 “An extraordinary novel . . . a triumph of insight and storytelling.” —Associated Press “A true masterpiece.” —Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his

brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

Lambslide Ann Patchett,2019-05-07 From the international bestselling author of *Bel Canto* and *Commonwealth*, Ann Patchett, and the bestselling illustrator of the *Fancy Nancy* series, Robin Preiss Glasser, comes a hilarious children’s story about a slide made just for lambs. Nicolette Farmer is running for class president, and the rest of the Farmer family tells her she’ll win by a landslide. A pack of overconfident lambs mistakenly hear lambslide and can’t believe there’s a slide made just for them. But when they can’t find one on the farm, there’s only one thing left to do: take a vote! They campaign. They bargain. They ask all the other animals if they, too, would like a lambslide. Will the lambs ever get their special slide? Find out in this epic collaboration between Patchett and Glasser, who create the perfect children’s book.

Jesus as Mother Caroline Walker Bynum,2023-09-01 From the Introduction, by Caroline Walker Bynum: The opportunity to rethink and republish several of my early articles in combination with a new essay on the thirteenth century has led me to consider the continuity-both of argument and of approach-that underlies them. In one sense, their interrelationship is obvious. The first two address a question that was more in the forefront of scholarship a dozen years ago than it is today: the question of differences among religious orders. These two essays set out a method of reading texts for imagery and borrowings as well as for spiritual teaching in order to determine whether individuals who live in different institutional settings hold differing assumptions about the significance of their lives. The essays apply the method to the broader question of differences between regular canons and monks and the narrower question of differences between one kind of monk--the Cistercians--and other religious groups, monastic and nonmonastic, of the twelfth century. The third essay draws on some of the themes of the first two, particularly the discussion of canonical and Cistercian conceptions of the individual brother as example, to suggest an interpretation of twelfth-century religious life as concerned with the nature of groups as well as with affective expression. The fourth essay, again on Cistercian monks, elaborates themes of the first three. Its subsidiary goals are to provide further evidence on distinctively Cistercian attitudes and to elaborate the Cistercian ambivalence about vocation that I delineate in the essay on conceptions of community. It also raises questions that have now become popular in

nonacademic as well as academic circles: what significance should we give to the increase of feminine imagery in twelfth-century religious writing by males? Can we learn anything about distinctively male or female spiritualities from this feminization of language? The fifth essay differs from the others in turning to the thirteenth century rather than the twelfth, to women rather than men, to detailed analysis of many themes in a few thinkers rather than one theme in many writers; it is nonetheless based on the conclusions of the earlier studies. The sense of monastic vocation and of the priesthood, of the authority of God and self, and of the significance of gender that I find in the three great mystics of late thirteenth-century Helfta can be understood only against the background of the growing twelfth- and thirteenth-century concern for evangelism and for an approachable God, which are the basic themes of the first four essays. Such connections between the essays will be clear to anyone who reads them. There are, however, deeper methodological and interpretive continuities among them that I wish to underline here. For these studies constitute a plea for an approach to medieval spirituality that is not now--and perhaps has never been--dominant in medieval scholarship. They also provide an interpretation of the religious life of the high Middle Ages that runs against the grain of recent emphases on the emergence of lay spirituality. I therefore propose to give, as introduction, both a discussion of recent approaches to medieval piety and a short sketch of the religious history of the twelfth and thirteenth centuries, emphasizing those themes that are the context for my specific investigations. I do not want to be misunderstood. In providing here a discussion of approaches to and trends in medieval religion I am not claiming that the studies that follow constitute a general history nor that my method should replace that of social, institutional, and intellectual historians. A handful of Cistercians does not typify the twelfth century, nor three nuns the thirteenth. Religious imagery, on which I concentrate, does not tell us how people lived. But because these essays approach texts in a way others have not done, focus on imagery others have not found important, and insist, as others have not insisted, on comparing groups to other groups (e.g., comparing what is peculiarly male to what is female as well as vice versa), I want to call attention to my approach to and my interpretation of the high Middle Ages in the hope of encouraging others to ask similar questions. From the Introduction, by Caroline Walker Bynum: The opportunity to rethink and republish several of my early articles in combination with a new essay on the thirteenth century has led me to consider the continuity--both of argument and of approach--that un

Little Bits of Baby Patrick Gale, 2016-08-30 A young man returns to London from a monastery to become a godfather—and gets a second chance at love—in this “blithe, original, engaging satire” (The New York Times). Robin has not gone outside for five years. When he first arrived at the remote island monastery, he had attacks so violent that the brothers thought he might do himself harm, so his room was stripped of all but the bed. Robin seemed to like it that way. But now, after years of penance for some unspoken sin, he is pale, drawn, and emotionally fragile—nothing like the promising university student he once was. Indeed, he is a ticking time bomb of unexpressed anger, and he is about to be unleashed

upon the world. Robin came to the monastery after his childhood playmate, Candida, became engaged to Jake, their irresistibly sexy mutual friend. Now, Candida is a mother, and she wants her long-lost friend to be the child's godfather. When he returns to London after his long exile, Robin finds the modern world strange and unfamiliar, but he must fight through it if he is to conclude the unfinished business that caused him to flee, and take his place in the world once again. Written at the height of the AIDS crisis, *Little Bits of Baby* is an intensely personal and romantic book from an author who writes with an intimate understanding of the labyrinth of the human heart. Winsomely funny and bittersweet, it may be the most remarkable novel Patrick Gale has ever produced.

Only the Wicked Gary Phillips,2024-08-20 Private eye Ivan Monk takes on his most personal mystery to date—and chases answers deep into America's haunted past. Long ago, Marshall Spears was a hero of the ballpark. In a time when baseball—and the nation—was segregated, he played in the vaunted Negro Leagues. Decades later, Old Man Spears is living

out his days as a fixture in a barbershop in South Central. One afternoon, PI Ivan Monk—a shop regular—learns that Spears’s former teammate was Kennesaw Riles. From family lore, Monk knows Riles is his cousin who was ostracized for the damning testimony he gave during a controversial murder trial in the ’60s—testimony that put a firebrand civil rights leader behind bars. Before Monk can hear more, Old Man Spears drops dead while listening to a ballgame on the radio. Even stranger, the long missing Riles shows up at the Old Man’s funeral services, and dies soon after. Monk knows the timing is not a coincidence. He follows the mystery to the Mississippi Delta. There, he unravels the truth behind the murder of two civil rights era activists. Eventually Monk zeroes in on a group of shadowy Mississippi businessmen-turned-philanthropists who may not have reformed their ways as they claim. Far from Los Angeles, the tenacious private eye confronts his own family history as well as a brand of hatred thought to have died with Jim Crow.

Battling the Buddha of Love Jessica Marie Falcone, 2018-09-15 Battling the Buddha of Love is a work of advocacy anthropology that explores the controversial plans and practices of the Maitreya Project, a transnational Buddhist organization, as it sought to build the world's tallest statue as a multi-million-dollar gift to India. Hoping to forcibly acquire 750 acres of occupied land for the statue park in the Kushinagar area of Uttar Pradesh, the Buddhist statue planners ran into obstacle after obstacle, including a full-scale grassroots resistance movement of Indian farmers working to Save the Land. Falcone sheds light on the aspirations, values, and practices of both the Buddhists who worked to construct the statue, as well as the Indian farmer-activists who tirelessly protested against the Maitreya Project. Because the majority of the supporters of the Maitreya Project statue are converts to Tibetan Buddhism, individuals Falcone terms non-heritage practitioners, she focuses on the spectacular collision of cultural values between small agriculturalists in rural India and transnational Buddhists hailing from Portland to Pretoria. She asks how could a transnational Buddhist organization committed to compassionate practice blithely create so much suffering for impoverished rural Indians. Falcone depicts the cultural logics at work on both sides of the controversy, and through her examination of these logics she reveals the divergent, competing visions of Kushinagar's potential futures. Battling the Buddha of Love traces power, faith, and hope through the axes of globalization, transnational religion, and rural grassroots activism in South Asia, showing the unintended local consequences of an international spiritual development project.
