**Mission-shaped Questions** Steven Croft,2010-09-01 Mission-Shaped Church launched a movement. Mission-Shaped Questions addresses the big theological and practical queries that movement unleashed, including: What exactly is church? Can we develop churches that can transform culture? Can we be missionshaped and kingdom-focused, too?

Missionaries Phil Klay,2020-10-06 One of President Obama's Favorite Books of the Year | A New York Times Notable Book | One of the Wall Street Journal Ten Best Books of the Year Missionaries is a courageous book: It doesn't shy away, as so much fiction does, from the real world." —Juan Gabriel Vásquez, The New York Times Book Review "A sweeping, interconnected novel of ideas in the tradition of Joseph Conrad and Norman Mailer . . . By taking a long view of the 'rational insanity' of global warfare, Missionaries brilliantly fills one of the largest gaps in contemporary literature." —The Wall Street Journal The debut novel from the National Book Award-winning author of Redeployment A group of Colombian soldiers prepares to raid a drug lord's safe house on the Venezuelan border. They're watching him with an American-made drone, about to strike using military tactics taught to them by U.S. soldiers who honed their skills to lethal perfection in Iraq. In Missionaries, Phil Klay examines the globalization of violence through the interlocking stories of four characters and the conflicts that define their lives. For Mason, a U.S. Army Special Forces medic, and Lisette, a foreign correspondent, America's long post-9/11 wars in the Middle East exerted a terrible draw that neither is able to shake. Where can such a person go next? All roads lead to Colombia, where the US has partnered with local government to keep predatory narco gangs at bay. Mason, now a liaison to the Colombian military, is ready for the good war, and Lisette is more than ready to cover it. Juan Pablo, a Colombian officer, must juggle managing the Americans' presence and navigating a viper's nest of factions bidding for power. Meanwhile, Abel, a lieutenant in a local militia, has lost almost everything in the seemingly endless carnage of his home province, where the lines between drug cartels, militias, and the state are semi-permeable. Drawing on six years of research in America and Colombia into the effects of the modern way of war on regular people, Klay has written a novel of extraordinary suspense infused with geopolitical sophistication and storytelling instincts that are second to none. Missionaries is a window not only into modern war, but into the individual lives that go on long after the drones have left the skies.

War Story Longarm,2004 WAR STORY is the story of a war. It is a personal observation from 1964 of how the American

War in Vietnam came to be. It is also my first covert mission. We flew through six unfriendly countries and came back alive by a combination of accident and design. Nobody noticed. The real events of my time have today become things that never were. Media fiction has become history. This is not a surprise. It is the normal course of covert war. I am reversing that normal course. This is a message from the real world. It is probably not the world in which you think you live. Maybe something very important to you is not there at all. I know that feeling. How you deal with it is up to you. This is not useless ancient history. The rules of this conflict are a part of human nature. They are always the same. If you understand Vietnam in 1964, you will also understand the world around you. You will be hard to control. And that is my intention.

*Rethinking Retirement* John Piper, 2009-03-27 John Piper challenges fellow baby boomers to forego the American dream of retirement and live out their golden years with a far greater purpose in mind. They say it's a person's reward for all those years of labor. Turn in your time card and trade in your IRAs. Let travel plans and golf-course leisure lead the way. But is retirement really the ideal? Or is it a series of poor options that ignore a greater purpose-and will kill a person more quickly than old age? John Piper responds: Lord, spare me this curse! And his resounding message is for anyone who believes there's far more to the golden years than accumulating comforts. It's for readers who long to finish better than they started, persevere for the right reasons (and without fear), experience true security, value what lies beyond their cravings, and live dangerously for the One who gave his life in his prime. With this brief book, Piper is sure to spur fellow baby boomers in their resolve to invest themselves in the sacrifices of love -and to grow old with godly zeal.

*We Speak to Nations* Tom Cannon, 2009 Souls are perishing. Can we reach them before its too late? Domestically, and internationally our mission is the same: Win the lost! In 'We Speak to Nations,' Tom Cannon shows you how to accomplish God's mission of saving the world for Him. Now is definitely the time to reach as many as we can, while we can. For while we wait for the perfect day to witness for Him, people are dying - lost and without the hope of His salvation. 'We Speak to Nations' features '10 Ways You Can Effectively Witness for Jesus.' Learn how to reach your friends, family, and co-workers for Christ today

**Four Careers** Charles H. Kraft, 2019-10-23 While in high school Chuck felt God's call to be a field missionary in Africa, expecting to spend his life there. But God only allowed him three years in the bush. He had other things in mind for him. These years working cross-culturally laid a solid foundation for his future accomplishments. Through a series of unplanned events, God made him a teacher of missionaries and a missiologist--teaching and writing to improve missionary principles and practices. In this book Kraft reflects on how he was shaped as a missiologist and why/how he felt the need for writing his many books and articles. Culture-positive is the term he has coined for his approach. It's an approach that honors a people's way of life and helps them to express their faith in Christ within that way of life without converting to another culture. He

taught that God loves and accepts them as they are--plus faith--and seeks to work with them to develop their own Christianity based on their own understanding of Scripture. Chuck sees a missionary as a coach, not as a director. This approach has shown its effectiveness both among the people Chuck worked with (the Kamwe of northern Nigeria) and in the field ministries of his students.

**Philosophy of Religion: The Basics** Samuel Lebens,2022-09-13 This book introduces students and other interested readers to the philosophy of religion—a vibrant and growing field of academic philosophy. Readers will be guided through an exploration of classic and contemporary arguments for and against theism. In addition to this crucial, but standard fare, this book looks to probe deeper into the nature and value (or dis-value) of religion itself. Philosophy of religion is becoming more diverse, both in terms of the religious traditions it examines, and the issues that it addresses. This book reflects that fact, engaging with religious traditions from Quakerism to Jainism. Questions and topics covered include: What is religion? What philosophical problems arise for the practices of prayer, worship, and meditation? How might multiple religions co-exist in peace? If there's a God, would it be the sort of thing that language could describe? When and how might it be rational to wager that a particular religion is true? With a glossary of key terms and suggestions for further reading, *Philosophy of Religion: The Basics* is an ideal starting point for anyone seeking a lively and accessible foray into the study of religion or philosophy.

**The Mission of God and You** Lori McDaniel,2023 *You Have a Purpose. God Has a Part for You to Play in Something Big.* You were created by God, called to follow Christ, and commissioned to make disciples. When Jesus gave this commission, it wasn't a last-minute thought before he ascended into heaven. It was a mandate for all his followers to participate in a movement of God already in motion. What is God's will for my life? Where does my life fit into God's purpose? If the idea that you have a purpose and mission feels daunting, keep in mind that you cannot mess up the story of what God is doing. But you can miss out on being a part of it. *The Mission of God and You* will expand your missional view of the Bible and your biblical view of the world. You'll traverse the globe and grasp the urgency of our mission. You'll hear the stories of a great cloud of witnesses, both past and present, and gain perspective on how God has worked and is working. You'll be challenged to leverage every season of your life to advance the gospel to the ends of the earth. Don't wait. God is inviting you to participate in the most significant movement the world has ever known.

Dark Country Evan Graver,2022-07-01 Innocent lives threatened ... A corrupt enemy ... A country in crisis ... There's a saying among drug cartels: "Plata o plomo"—silver or lead. It's a concept Ryan Weller knows well, and when a group of American missionaries are taken hostage in the slums of Jalousie, Haiti, nothing comes closer to the truth. With the mission's CEO unable to meet the ransom, only one option remains: to issue a contract for their rescue. To protect their people, GOSPEL turns to an unconventional savior: Dark Water Research. Although the contracts remit is strictly salvation rather than salvage, Ryan and his team of veteran contractors are the ideal solution—they know the turf, have the skills needed to recover the missionaries, and they know the right people in-country to help grease the wheels. But when Ryan learns there's more to one of the missionaries than first meets the eye, he's thrust headfirst into a pitched battle against a brutal drug smuggling operation. Headed by the elusive Mister Smith, the CIA-funded network provides a direct conduit to the heart of the United States' ravenous narcotics trade, and it's a venture Smith will move heaven and earth to protect. With Haiti reeling from their recent presidential assassination and its warlords and cartels continually vying for control of the island's streets, Smith relies on the chaos to keep his shipments on course and the money flowing to his unscrupulous pockets. For Haiti to thrive, Smith's network must fall—and Ryan Weller is a man determined to see it happen.

Malawi Philip Briggs,2019-07-05 This new eighth edition of Bradt's Malawi remains the only standalone practical guidebook to this magical East African destination, long known as the 'warm heart of Africa' (and the first country outside Denmark to have a Carlsberg brewery). Malawi is a small country with a big lake - accounting for around a third of its territory - and a big welcome. Written by Philip Briggs, arguably the world's most experienced guidebook author, this new edition benefits from a thorough country-wide update of all the practical information, with the addition of significant new game park accommodation. Dedicated chapters on background information, health and flora and fauna are complemented by a 19-chapter breakdown of the country and 37 maps, making this an ideal companion for backpackers, over-landers, wildlife spotters, birdwatchers and other outdoor enthusiasts. Included in the guide are the many outstanding adventure opportunities: kayaking on the vast lake amongst dug-out canoes; hikes from tea estates up to the heights Mount Mulanje; and watching the 'big five' animals in wonderful natural surroundings. There's also a resurgent music scene, intriguing monuments built by former colonisers and compelling village culture to discover. With the reintroduction of species including lions - and the recent translocation of large numbers of elephants to Nkhotakota Wildlife Reserve - Malawi is a wildlife destination to savour. From luxury camps to local guesthouses, from rhino trekking to cycle tours and from crafts to cultural tourism, Bradt's Malawi covers every aspect of your trip.

*Moonstone Shadows* Patricia Rice,2019-07-09 Another episode in NYT bestselling author Patricia Rice's exciting Crystal Magic series! A librarian searches for healing, a felon yearns for forgiveness, and an enemy stalks them both. Hannah Simon holds the library of her ancestors in her head, but she's in danger of losing her steel-trap mind along with the information it holds. Her only hope is a legendary moonstone said to have healed in times of trouble. The artifact was last seen in Hillvale, a town that needs help as desperately as Hannah. After spending two years in prison for art fraud, antiques dealer and psychometrist Aaron Townsend has settled in Hillvale, where his past and his abilities are accepted. But when the universally despised woman who owns half of Hillvale is bludgeoned to death, everyone is immediately suspect, including newly-arrived Hannah. Aaron, however, is the only one with a criminal past. To save his friends, as well as himself, Aaron has to find the killer. His search becomes more complicated when he learns Hannah's touch can yank them back in time. That way lies madness, but also, possibly the answers they seek. Despite all Aaron's attempts to keep the tempting librarian at a distance, her terrifying enhancement of his psychometric ability binds them intimately as they tumble down passages of time in search of clues. To save themselves and Hillvale, they must risk their lives and their minds—and possibly their hearts. SCROLL UP AND BUY NOW!
